

MASTERPLAN

A place for home, parks, nature, education and convenience.

Great neighbourhoods are much more than places to live. They are also about the way people feel when they experience a sense of community, engagement and belonging. At South Place, new, walkable precincts are place for community; for planned and spontaneous meetings with neighbours amongst acres of greenery and every modern amenity.

MASTERPLANNED FOR MORE

-  8 nature reserves, parks and playgrounds
-  23km of cycling and walking trails
-  A future school, a neighbourhood civic centre and shopping precinct.

-  Ripley — 5 MINS
-  Springfield — 15 MINS
-  Flinders Peak Conservation Park — 35 MINS

-  Ipswich — 10 MINS
-  Brisbane CBD — 45 MINS

PLAY

Designed for adventurers and imagination to run free, playgrounds have been created for every age with a focus on bringing the community together.

PARK

Landscaped areas for outdoor events, family bbq's, courts for sports and fitness stations to inspire a diverse community.

SHOPPING

A future local retail centre will add to the many shopping precincts, large and small, that are all within minutes from home.

PRIMARY SCHOOL

The local, future school and learning facilities will be a class above the rest. Easily accessible, families can walk or ride to school in a safe neighbourhood.

BIKE TRAILS

Cycling trails encourage families to get active and explore the precinct. They wind along tree lined avenues, through native reserves and across parkland with plenty of pit stops along the way.

RESERVES

At the heart of South Place are acres of native reserves. The reserves are a haven for indigenous flora and native wildlife and an opportunity to escape to nature just moments from home.
